

COPYRTRAP COCKROACHES

Codice prodotto: 1900300

Category: Absent

Adhesive trap for cockroaches

Description:

Adhesive trap with food attractant.

Technical information:

Dimensions: 20 x 10 x 9 cm

Duration: 3 – 4 weeks

Method of use:

After activating the trap by removing the protective paper from the adhesive surface, close it according to the instructions and place it along potential cockroach passages.

Suitable for monitoring operations and minor control actions. Resolves the problem of cockroaches without the use of poisons or chemicals, without hazardous spring-loaded mechanisms and in a hygienic and safe way.
